

Membership

The primary purpose of the association is to protect and support the Allotments.

The Association acts on behalf of the allotment tenants, for both Foxes Piece & Hanging Hill Allotment Sites, through its work in helping to protect, maintain & improve both of the sites. Over many years we have monitored events, which could have an impact on the integrity of the sites, and have the backing & support of the National Society for Allotment & Leisure Gardeners (NSALG), should we need it, to protect our Allotment Sites. The income from memberships enables subscription to NSALG for every member.

It is vital that the Association has high membership each year, in the event of a threat to either site, we will be able to demonstrate that we consistently have the support of the majority of the tenants.

This will send a powerful signal to those who may doubt our resolve – there is power in numbers!!

The Association Membership also brings benefits such as the Seed Scheme, discounted prices at Hunts, reduced prices for Chicken Manure Pellets (which are bought in bulk) and rabbit manure supplied free of charge. Please ask any committee member for details of these benefits.

We supply a newsletter & try to ensure it reaches all tenants, to give them news & information, we also endeavour to organise functions & talks to give all plot holders an opportunity to meet with other tenants.

The Association monitors the waiting list on behalf of Marlow Town Council and ensures that plots are re-let as soon as possible, after they become vacant. We also communicate with the Council on any matters that require their attention and attend regular meetings with them to discuss such matters.

The work that Committee Members & volunteers carry out is unpaid and in their spare time, for the good of the Association and we like to think that most people join the Association to help contribute to the support of the sites, in addition to any individual benefit.

We comply with GDPR regulations to protect your data. Our privacy policy can be read on our website www.marlowallotments.org.

The Membership Year commences on **1st November**, in line with the Marlow Town Council tenancy renewal timetable.

Below is the Subscription Form for those wishing to join or renew their annual membership. The fee is £5.00 per person, regardless of the number of plots held.
